Importance of attending 4-H Council

Our Riley County 4-H Council serves as a vital component to our month-to-month programming. Club representative to take vital information back and report to their club. 4-H Council plans and implements county-wide events, oversees funding request, and votes to make necessary changes to our program. Each club is allowed to have (5) voting representatives (3) youth and (2) adults. I would strongly encourage you to exercise that right throughout the year. You don't have to be a Council Representative to attend. It is open to all 4-Hers and parents. The 4-H Council dates are **ABOVE**. **Starting in January, we will be serving pizza starting 6:30 pm for all 4-H Council meetings.**

It's a race against the clock to complete a series of building, balancing, and puzzle solving challenges. Bring your friends and see who the STEM Relay superstar will be! The STEM Challenge and all STEM activities will be in the gym.

Youth Entrepreneurship Challenge (YEC) 2026

Are you a high school-age youth living or attending school in Riley County? Have you ever had an idea for a business or product, but haven't had the outlet or guidance to put together a business plan or prototype? Well **HERE** is your chance to make it happen...and earn some **MONEY!**

In partnership with the Manhattan Chamber of Commerce, Riley County Extension, Network Kansas, SPARK and generous donations from local donors, we will be hosting our 8th Youth Entrepreneurship Challenge (YEC) event on Wednesday, March 4 at the Manhattan Town Center Mall. Participants will have the opportunity to compete against other young entrepreneurs for \$3,000 + in cash.

The competition consists of (3) components including; the submission of a simple business plan, the creation of a tabletop trade show booth, and finally a 5-6 minutes formal presentation in front of a panel of judges. All three of these components will be judged based on a specific set of predetermined criteria.

If this sounds like something you would like to be a part of, I would love to get you started by sharing event specifics, including the scoring rubrics used by judges, but also the template for creating a solid business plan.

To recap, if you're high school age, living or attending school in Riley County, are interested in business or entrepreneurship, and are willing to create a business plan, tradeshow booth, and present a 5-6 minute presentation, you will have the chance to win a portion of the \$3,000 + in cash. Call the Riley County Extension office or email me at jajobe@ksu.edu to get started today.

- Reasonable expenses for feed and supplies

Interested? Come learn more!

This group will be led by **Alena Wiebers**, a 9-year Riley County 4-H member in the rabbit project, 2024 state winner in the 4-H rabbit project, and competitor in national-level youth educational contests.
