Consider Taking the Largest Tomato Fair Challenge
Join us as we start the charge for the 2024 Riley County Fair ‘largest tomato’ competition. For more information contact Riley County Extension Horticulture Agent Gregg Eyestone, 785-537-6350.

2024 Riley County Fair Theme
At the March 4-H Council meeting, club representatives voted a good number of fair theme ideas down to three options. At the March Riley County Fair board meeting, board members voted to use ‘**Sew It, Grow It, Show It!**’ as the 2024 Riley County Fair theme. This theme will be represented in club banners, window decorations, and on the cover of the 2024 fair book.

Golden Clover Hunt
In early July, we will once again kick off the Golden Clover Hunt in anticipation of the Riley County Fair. Each weekday a new clue will be posted to the Riley County Fair website at [www.rileycountyfair.com](http://www.rileycountyfair.com). Clues will continue to post right up until the start of the fair or until someone finds the clover. Upon discovery, the individual or family will be showered in wonderful gifts donated by local participants. Good luck to you all!

**Fair Pop Stand Sign Up**

As we make the final drive towards fair 2024, we are putting together some of the details for non-project related scheduling. As with the past couple years, we are not appointing food stand slots for each club. Instead we are allowing individuals or families to sign up for slots that work with their schedule. Ideally four kids and one adult are about as many people you want to have in the stand at one time, but you can staff it with as few as two kids and one adult. Below is the link to the time slots, so please don’t wait to get signed up for a shift. **We build in an extra (30) minutes for opening shifts Friday through Monday to accommodate the preparation of the pop stand.** The opening shift will have additional responsibilities.

https://www.signupgenius.com/go/20F0D44ADA72FA4FD0-4hp-pop

**Guidelines for operating the Riley County 4-H food stand**

1. It is your groups responsibility to make sure someone is operating the pop stand during the assigned time.
2. One adult needs to be present when working.
3. Each group should clean throughout their scheduled time (wipe up spills, etc.)
4. Last in the evening are responsible for cleaning up and closing.
5. If the club assigned after your club does not show up, please contact Brandy (typically in fair office).

**Forestry Project Opportunity**

Enrolled in the Forestry project? Join in the gathering of tree leaves for the fair on **Saturday, June 15**. The event will be led by District Forester and Thad Rhodes beginning at **10 am at the Wildcat Park** which is located off of Anderson Avenue between Manhattan and Keats. Please sign up at [https://docs.google.com/forms/d/e/1FAIpQLSe7DU6r0Pzl7cnEw_EPY53sKnHM-EorsrWkbwWrOYAfamSSJA/viewform?usp=sf_link](https://docs.google.com/forms/d/e/1FAIpQLSe7DU6r0Pzl7cnEw_EPY53sKnHM-EorsrWkbwWrOYAfamSSJA/viewform?usp=sf_link) by June 13.
4-H Club Window Decorations 2024
Each club will have the option to decorate a window in a local business or office in their local community. Window designs will be judged prior to the start of the fair. Photos of the window and ribbon placings will be on display in Pottorf Hall during the fair.

Below are the parameters:
Each club must secure their own window, making arrangements for painting as well as cleaning the window within a week following the fair.

Clubs CAN decorate more than one window, but can only submit one for judging.

Fair window will need to be decorated by Monday, July 15.

Each club must notify the Extension office by **Monday, July 15 at 5 pm** as to the location of their clubs window and send a picture of the window to Brandy at bbruna@rileycountyks.gov

Each window should include the fair dates as well as the wording “Riley County Fair 2024” somewhere in the design.

Designs are not required to follow the fair theme.

Judging criteria will be based on 1) Creativity 2) Fair Marketing Value/ Location.

Potential Window Decorations Locations
We asked businesses in the community if they would be willing to let 4-H clubs paint their windows for the fair. Below are the response we received. You are welcome to contact other businesses. Your club is responsible for contacting the business to discuss window painting. Your club is also responsible for cleaning the windows after the fair.

Once again we will be using the Fair Entry online program for pre-entering all 4-H exhibits. This includes every project coming to the Riley County Fair; indoor static exhibits, all livestock exhibits, showmanship, as well as Cloverbud projects. Each separate project must have a pre-entry (i.e. 3 foods items, 3 separate pre-entries)

To access the Fair Entry program, all 4-H families will use their 4-H Online login. If you did not enroll in a particular project as of May 1, 2024, the program will not allow you to pre-enter or exhibit in that project area at the 2024 fair. You will follow the steps on the program for your entries. The Fair Entry program opened for dog entries on May 22 and will close on May 30. All other exhibits, pre-entries open on June 5 and will close on July 1. We highly suggest using a computer or tablet. Entering information in the Fair Entry program can be difficult on a cell phone.

The final part of the fair preparation process will be selecting an interview judging time-slot, as we have done in the past, for all indoor static exhibits. All indoor exhibits must be interview judged. These links will be sent out on July 2 and will remain open until midnight on July 12.

As part of the Fair Entry online program, all entry cards will be printed in-house from the project information provided during the pre-entry process. Therefore, you will not need to fill out entry cards prior to coming to the fair.

*FIBER ARTS, SEWING AND TEXTILE DESIGN, AND FASHION REVUE*
Clothing, knitting or crocheting project members are eligible to participate in the Fashion Revue on Thursday, July 18 at the Manhattan Catholic School Junior High (306 S. Juliette). Use the Fair Entry program to pre-enter by July 1 and your script(s) for the evening revue will be DUE July 5. The script(s) is the responsibility of the 4-H’er and will be submitted via a Google form that will come out via email from Brandy in early July. The description should be 4 to 5 sentences; longer descriptions will be edited. If you have questions about writing a description, please contact the office, 785-537-6350. Judging forms and a schedule will be mailed to all fashion revue participants. These judging forms will need to be filled out and brought with you to fashion revue judging on July 18. The public evening revue will also be held at the Manhattan Catholic School Junior High (306 S. Juliette). *Cloverbuds will use the Fair Entry program to pre-enter by July 1 for fashion revue and constructed garments.

*CONSTRUCTED GARMENTS*
All constructed garments will be judged on Thursday, July 18 in conjunction with the fashion revue. This includes all classes listed in the Sewing and Textile Design department (constructed article, garment or outfit, recycled clothing item, and educational exhibits). Constructed garment project members and Cloverbuds use the Fair Entry program to pre-enter by July 1.

Finally, each Cloverbud and 4-H member will find enclosed a Pop Stand Coupon. It is good for $2 off your order at the 4-H Pop Stand, located next to Hurlburt Arena. Please use your coupon at the fair July 25-29. Unable to attend, feel free to give it to a 4-H friend. No change is given. Coupons are donated by Riley County Farm Bureau.

Watch your emails for more project-specific information in the coming weeks. If you have any questions, please don’t hesitate to call 785-537-6350.
**Consider in June**

- Help work the 4-H pop stand during the fair
- Encourage new 4-H families to attend the Pre-Fair Workshop on Tuesday, June 18; 5:30-7:00 pm Pottorf

**Livestock Skill-a-thon 2024**

The 4-H youth livestock skillathon contest is designed to promote understanding of management and care of livestock, and is focused on the following species: cattle, swine, sheep, and goats. Contest stations can include any or all of the following areas: feed ID/use, breed identification/characteristics, animal anatomy, meat cut ID, livestock equipment ID/use, animal health management, and livestock quality assurance. There is no team competition; 4-Hers will compete as individuals. Awards will be presented to the top individual in each age division (Junior, Intermediate, Senior). After winning a division, the individual will need to compete in the next older age division in following years. Individuals are eligible to compete in the senior division multiple years, but may only receive an award once per age division.

The contest will be held beginning at **12:30 pm on Monday, July 29**, and you will sign up for the contest at the fair; no fair pre-entry is required. It will be held in the open air tent north of Pottorf Hall. Belt buckles will be given to each division winner. All 4-Hers may compete in the contest; you do not have to be enrolled in a livestock project to compete. Questions, contact Gary Fike gfike@rileycountyks.gov

Riley County Extension will host (2) Skill-a-thon practices on June 20 and 27 from 5-7 pm at the Riley County Extension office, 110 Courthouse Plaza, Rm B220
