2024 Riley County Fair Theme

At the March 4-H Council meeting, club representatives voted a good number of fair theme ideas down to three options. At the March Riley County Fair board meeting, board members voted to use ‘Sew It, Grow It, Show It!’ as the 2024 Riley County Fair theme. This theme will be represented in club banners, window decorations, and on the cover of the 2024 fair book.

Tagging Commercial Females **NEW INFO for 2024**

All unregistered females, except Dairy Goats, exhibited at the 2024 Riley County Fair need to be tagged with an official 4-H ear tag by May 1. This includes beef, sheep, goats, dairy, and swine. This is a new rule for all species except swine – tagging was already required for all gilts.

Sheep and goats should come to the tagging event on **May 6, 2024**; between 5 and 7 pm. (The fair book says May 1 but sheep and goat tagging has historically been the first Monday in May, which is May 6 in 2024. You get 5 extra days this year.) Swine may be tagged at home prior to May 1.

4-H Club Window Decorations 2024

Each club will have the option to decorate a window in a local business or office in their local community. Window designs will be judged prior to the start of the fair. Photos of the window and ribbon placings will be on display in Pottorf Hall during the fair.

**Below are the parameters:**

Each club must secure their own window, making arrangements for painting as well as cleaning the window within a week following the fair.

Clubs CAN decorate more than one window, but can only submit one for judging.

Fair window will need to be decorated by Monday, July 15.

Each club must notify the Extension office by **Monday, July 15 at 5 pm** as to the location of their club's window and send a picture of the window to Brandy at bbruna@rileycountyks.gov

Each window should include the fair dates as well as the wording “Riley County Fair 2024” somewhere in the design.

Designs are not required to follow the fair theme.

Judging criteria will be based on 1) Creativity 2) Fair Marketing Value/ Location.

Golden Clover Hunt

In early July, we will once again kick off the Golden Clover Hunt in anticipation of the Riley County Fair. Each weekday a new clue will be posted to the Riley County Fair website at www.rileycountyfair.com. Clues will continue to post right up until the start of the fair or until someone finds the clover. Upon discovery, the individual or family will be showered in wonderful gifts donated by local participants. Good luck to you all!
Leaders and Parents

Consider in May

- Check your club mailbox
- Remind Families of the May 1 enrollment deadline for dropping/ adding projects. You must be enrolled and signed up for projects in order to exhibit at the Riley County Fair.
- Consider hosting a club project meeting
- Encourage Discovery Days 2024
- Horse ID papers are due June 1 for all horses being exhibited at the Riley County Fair
- Prepare a committee to work on the fair banner and window decorations
- Work with new families to make sure they are fair-ready

Encouraging Fair Participation

As we enjoy these warmer spring months, think about what you can do to get your club active. Perhaps set a date aside from the monthly club meetings as a fun “project day” where each 4-Her walks away with a completed project they can display at the 2024 Riley County fair. Alternatively, make sure your club families are aware of the monthly project meetings taking place here in our area. Keep in mind that it is the “doing” that makes 4-H great. Getting active also allows for our 4-H youth to work alongside knowledgeable adults in completing a project or task.

Livestock Skill-a-thon 2024

The 4-H youth livestock skillathon contest is designed to promote understanding of management and care of livestock, and is focused on the following species: cattle, swine, sheep, and goats. Contest stations can include any or all of the following areas: feed ID/use, breed identification/characteristics, animal anatomy, meat cut ID, livestock equipment ID/ use, animal health management, and livestock quality assurance. There is no team competition; 4-Hers will compete as individuals. Awards will be presented to the top individual in each age division (Junior, Intermediate, Senior). After winning a division, the individual will need to compete in the next older age division in following years. Individuals are eligible to compete in the senior division multiple years, but may only receive an award once per age division.

The contest will be held on the afternoon of Monday, July 29, and you will sign up for the contest at the fair; no fair pre-entry is required. It will be held in the open air tent north of Pottorf Hall. Belt buckles will be given to each division winner. All 4-Hers may compete in the contest; you do not have to be enrolled in a livestock project to compete. Questions, contact Gary Fike gfike@rileycountyks.gov
